

**OFFICE OF THE SUPERINTENDENT GOVT GENERAL HOSPITAL  
QUTHBULLAPUR, MEDCHAL-MALKAJGIRI DIST.**

**ANTIMICROBIAL STEWARDSHIP COMMITTEE**

**With reference to document -NMC/Chairman/2021/10 dated 18.10.2021 on  
Advisory regarding Antimicrobial Resistance and misuse of Antimicrobials.**

As per the NMC Norms All medical colleges must have the mandate to ensure well-functioning Antimicrobial Stewardship (AMS) Committee which meets regularly to develop and monitor implementation of AMS practices towards judicious use of antimicrobials in the hospital through formally identified AMS team.

1. To develop Coordinated interventions for optimizing the antimicrobial use.

2. Core Components of AMSP include:

Leadership commitment, Accountability, Drug expertise, Action (policies/interventions), Tracking and reporting, Education and Training

**AMS unit GMC/GGH QUTHBULLAPUR has been reframed :**
